KENDALL'S SPAVIN CURE.

SMITH'S FORM, N. C., Nov. 22nd, 1893.

Dr. B. J. KENDALL CO.,

Gentlemen:—I have the pleasure of writing you again in regard to my mare, about whom I wrote you about two years ago, she being afflicted with Blood Spavin. After following the directions you gave me for using "Kendall's Spavin Cure" I obtained perfectly satisfactory results after using six bottles.

The Spavin Cure was not known in my part of the country until I purchased the first bottle, now all my neighbors use no other liniment but "Kendall's Spavin Cure." It is all you claim. You may publish this if desired.

Very respectfully, ADAM BRITVAIR

ARE YOU A COOK?**YES! Then Read the Following:**

can be used on a grate fire, gasoline stove, wood and coal stoves or ranges; just the thing for natural gas. You will not scorch or burn food. It regulates the heat perfectly and other kinds of griddle cakes can be baked to perfection. One side is white metal pilable and induratable, the other side is Bessemer steel, adding great strength. It is thoroughly fire proof. It prevents iron from soiling by coming in contact with the flame. It will prevent bread from baking too fast on the underside in the oven. It soon pays for itself by saving granite, tinware, etc.
